Nathan – Are you available to speak today? I should be around most of the day. Also, tomorrow, I am around until about 2 pm and then I am out of the office until March 19th.

Regarding the last quote, Steve Way tells me that it was taken out of context. He was referring to EPA's review of the information that Sunnyside and Washington Mining Corp provided to EPA and that that review would be completed in the next several weeks or month.

Subject: Available to Talk Today?

Richard,

I am on a plane, but just had this article sent to me. I would be interested in discussing what is meant by the last quote of the article and otherwise catching up.

Do you have a few minutes to chat later today?

Thanks,

Nathan
